

MALMO CHOIR OPEN FOR REGISTRATION

The Malmo Choir is back for a Spring Edition!

We had a fantastic Christmas choir last winter with nine participants total. It is a great way to connect with community members while having fun and learning a new skill! This Spring's theme is *Big Show Tunes*, also led by Malmo musician Rebecca S. The Choir will run for eight weeks starting Monday March 25 until Monday June 3, 7:30pm-8:30pm, with no classes on April 8, April 15, and May 20. The last class on June 3 will be a recital open for all community to attend and enjoy. **All sessions are located in Holy Spirit Lutheran Church (11223 51 Ave)**, where they have wonderful acoustics and a beautiful piano perfect for choir practice!

You can register for the choir by visiting our online store (<https://www.malmo-plains.com/store1>), or through the instructions in the form below, or bring cash/cheque to the first class on Monday March 25 7:30pm-8:30pm. For any questions, please email treasurer@malmo-plains.com

Reviews from Christmas Choir Participants:

"Rebecca has a way of letting everyone feel at ease and her enthusiasm for singing and beautiful harmony is contagious."

"I've been really fortunate to have joined this choir. The director, Becky, is so talented & most importantly, a great choir leader. We are all learning new & old Christmas pieces. Plus most importantly we have a lot of fun during our sessions."

"It's a small choir of under twenty people, but delightful as we have three parts already, soprano, alto and tenor. I feel cosy, friendly and comfortable with this small group. It's really a joy and fun to listen, to sing as a group and to just be around music."

*Trent Charles, President***LETTER FROM TRENT**

I want to share my absolute favourite quote with you:

“When I was a young man, I wanted to change the world.

I found it was difficult to change the world, so I tried to change my nation.

When I found I couldn't change the nation, I began to focus on my town.

I couldn't change the town and as an older man, I tried to change my family.

Now, as an old man, I realize the only thing I can change is myself, and suddenly I realize that if long ago I had changed myself, I could have made an impact on my family. My family and I could have made an impact on our town. Their impact could have changed the nation and I could indeed have changed the world.” Unknown Monk 1100 A.D.

Often it is too easy to fixate on unfortunate worldly events outside of our control. This quote reminds me to shift my focus to the small achievable steps that can be done to improve myself and add value to those around me. Building a better world starting with myself, then my household, and then my community.

Something that has greatly improved my own quality of life is a strong pain-free body, and that is something I would like to share with the community. I've experimented with many different exercise routines over the years including dance, crossfit, yoga, gymnastics strength training, variable resistance strength training, & High Intensity Strength

Training. I found that many types of exercise result in burn-out because they focus on building muscle or skill level, rather than the health and longevity of the joints.

A year ago I discovered the KneesOverToes Program by Ben Patrick, and it quickly became my favorite program so far. It puts a strong emphasis on strengthening the joints and connective tissues that enable pain free movement, and this program has helped many people who require hip/knee surgery.

As I've gotten to know more community members, I've noticed many have painful or weak knees, hips, shoulders, etc. This inspired me to create a mobility class based on KneesOverToes exercises. I want this program to be as accessible as possible- it will be free, drop-in, for all ages, available at two different times, and scalable to be as challenging or as easy as fits each person's fitness level. The best part? We will be working out in a fun friendly environment with friends and neighbours. Building a strong healthy body while building fulfilling community connections!

The class is called “Strong Knees, Hips & Ankles”, and it will run Tuesdays 6:00pm-6:45pm and Fridays 2:00pm-2:45pm at Malmo Hall (11525 48 Ave) starting Tuesday March 19th.

If you have any questions, please feel free to email me at president@malmoplains.com

Looking forward to seeing you there!

Letter from Malmo School Principal

Dear Malmo Community Residents,

I wanted to extend my heartfelt wishes to each one of you. A special thank you goes out to Malmo residents for volunteering at our school. Their commitment to supporting students has truly made a difference. Our Taste of Malmo event was a tremendous success, and we are sincerely grateful for the participation of community members Trent C., Stephanie L., and Linda H.. Your presence at our event added to the joy and success of the occasion.

February was marked as Kindness Month. Our students celebrated Valentine's Day by expressing kind messages to each other and participating in fun activities like decorating Valentine cookies. It's a wonderful opportunity to foster a culture of kindness and unity within our community.

We are also looking to hire lunchroom supervisors at Malmo School. If you are interested, please contact the school at malmo@epsb.ca or 780-434-1362.

Once again, thank you for being an integral part of the Malmo community.

Best regards,

Mrs.Dayoub, Malmo School Principal
